From Vitaly Petrov

Dear friends, We are working hard on our goal to finish our five courses to be translated into Chinese, and are experiencing God's blessings with each step we take.

You may be familiar with other resources being distributed to the church in China, but these courses will uniquely impact the academic elite in China who are educated on a Master's and Doctoral level. The goal of this work is unique because the influence these people have is very substantial in Chinese society.

We have just finished translating the course "Inerrancy of the Bible," which is the first of a 10-course Theology 1 series by Professor John Feinberg. This has been completed thanks to the \$10,000 that was given by some of you at our May Event!

Thank you again my dear friends for your kind generosity and faithfulness for this work.

Would you please consider attending a short prayer meeting on ZOOM with Peggy Valentine on September the 11th as we pray for our Live Stream Virtual Event "China Challenge 21" to be held on Saturday, September the 25th?

[To attend this brief Zoom prayer meeting please email Peggy at peggy@tvseminary.info](mailto:peggy@tvseminary.info)

We still have a lot of work to do in getting the remaining courses translated into Chinese, but I know with the Lord's help and your generous hearts and faithfulness we will raise the remaining \$46,500 needed to finish the other four courses our brothers and sisters in China are waiting for.

TVSEMINARY UPDATE

Vitaly Petrov FROM SIBERIA

In late March, Marina and I spent a week in the Siberian vast region of Krasnoyarsk Krai, meeting at different churches whose pastors have significantly benefited from our courses. Siberia is a vast region covering 5 million sq. miles and seven time zones. The Krasnoyarsk Krai region is 3.5 times the size of Texas!

I had the privilege of reuniting again with a dear friend and former student of TVS, Bishop Ivan Bulechev. Ivan is pictured at the table second from the right with our other friends from the World Evangelical Alliance, the largest international organization of evangelical churches. Ivan has completed many courses through TVS and has influenced and assisted many Siberian evangelical churches in utilizing them for their own congregations and leaders.

Much like in the U.S, churches in the region have installed large screens to display teaching material.

I was thrilled to meet with more bishops and leaders of six multi-denominational evangelical church associations in the Krasnoyarsk Region. These multi-denominational leaders were familiar with TVS courses and have several students active in their churches. Some of these leaders traveled over 800 miles over Siberian roads to connect relationally with me and learn more about the leadership and reliability of TVS as an organization. Our meeting together was very fruitful as new friendships in the Lord were made.

The Krasnoyarsk Region of Siberia has a Baptist Church Association, consisting of around 35 churches. I spoke at a service of the Associations leading church in the city of Krasnoyarsk. This church has over 750 members! One of the pastors and several of the leaders and members are current students of TVS.

Many of them expressed their gratitude to us for providing this valuable resource to them. I was blessed by the beautiful music offered in praise, and I spoke to the congregation on John 3:16.

You can see a video of part of the service by [clicking here](#).

Dear friends, would you please pray for our upcoming fund-raising event (described below) Because of COVID 19, we had to cancel many trips and U.S church invitations in 2020, and this event will raise money directly for tuition for our students.

As always, thank you for your prayers for our students, and our work at TVSEMINARY.
